

Care Affair 2018

February 12th, 2018

Dear Care Affair Friend:

The Tri Delta Atlanta Alumnae Chapter is excited to host our 35th annual Care Affair benefiting **CURE Childhood Cancer**. This year's gala will be held April 21, 2018 at the Atlanta Athletic Club, and will feature dinner, fun activities and a live auction. Since 1984, our all-volunteer group has raised over \$2.3 million, \$159,000 of which was raised last year! Thank you!

We invite you once again to become a sponsor of Care Affair, and are enclosing material setting forth the benefits of sponsorship and the levels at which we encourage you to participate. By supporting Care Affair, you will be joining the effort to find a cure for the number one cause of death by disease of children in our country.

Childhood cancer is more common than many realize. **Devastatingly, nearly 16,000 children are diagnosed with cancer every year. Currently, about 17% of children die within five years of diagnosis.** Atlanta-based nonprofit **CURE** focuses entirely on children's cancer and funds the work of some of the best and brightest scientists in the field of pediatric cancer. We are fortunate to have this dynamic and dedicated organization right here in our own community.

In addition to supporting research, CURE addresses critical and urgent needs of patients and families. As you can imagine, childhood cancer takes an enormous emotional, physical, and financial toll on families whose children are stricken by this disease. Because of these hardships, we feel compelled to make a difference each year by hosting Care Affair.

Care Affair is pleased also to donate 10% of the funds raised for scholastic assistance to deserving women in need through the Tri Delta Foundation.

Thank you for your support and consideration from all of us in the Tri Delta Atlanta Alumnae Chapter. Our contact information is below, and we look forward to hearing from you with your questions or comments. With your help, we WILL make a difference!

With sincere gratitude,

Sarah Duncan
